CONFERENCE OF THE PARTIES
Second session
Dakar, 30 November-11 December 1998
Agenda item 7

REPORT OF THE SESSION

Draft decision recommended by the Committee on Science and Technology for adoption by the Conference of the Parties

Work programme of the Committee on Science and Technology

The Conference of the Parties,

Recalling decision 16/COP.1 on the work programme of the Committee on Science and Technology,

1. Decides that the priority issue to be addressed in depth by the Committee on Science and Technology at its third session shall be early-warning systems in its broadest sense;

2. Also decides that the agenda for the third session of the Committee shall include the other topics on the agenda for the second session of the Committee;

3. Requests the Conference secretariat to facilitate the convening of at least one inter-sessional bureau meeting of the Committee for the review of decisions taken by the Conference of the Parties and other related matters regarding the work of the Committee, especially the planning and organization of the next session of the Committee.
